<sup>1</sup> There are two U.S. senators representing Massachusetts; their six year terms overlap and only one is elected when the senate seat is on the ballot.

<sup>2</sup> Some counties no longer elect commissioners or treasurers.

<sup>3</sup> Political party town, ward, and state committee members are elected in the presidential primary held in March of presidential election years. Voters also indicate their preference for president in the presidential primary. Party candidates for all other offices on this chart are nominated in the September state primary.
